

Beauty Redesign

Thank you for interest in MicroLink Process of Hair Enhancement.

In completing this questionnaire we can properly evaluate your area of concern. It will be reviewed by our certified technician then within three to four business days we will contact you with your exact quote. The questionnaire makes it easy for those of you who live out of state because you can have "The MicroLink Process" applied the same day as your consultation.

Please note this process involves maintenance and will require a visit periodically with your stylist. See if the MicroLink Process can work for you! We look forward to hearing from you soon.

At Beauty Redesign we know hair is not a luxury it is a necessity.
Thank You, April
